

*The Proteq Mini is specifically designed to protect limited amounts of cash and valuables within both domestic and small office surroundings. The safe is fitted with a modern electronic lock that is easy to operate*

# Proteq Mini

BURGLARY PROTECTION

## Key Features

- Compact design to protect limited amounts of cash and valuables within a domestic or small office environment as well as a retail outlet.
- Available in 2 sizes. May be fitted with an envelope slot facility as an option. There is however no fire protection available for units fitted with an envelope slot facility.
- The safe door is secured using two 19mm in diameter steel moving bolts on the front door edge and a full length docking bolt at the hinge end.
- Fire protection for documents, tested in accordance to JIS S1037.
- Easy to operate via a 6 digit electronic lock code offering 1 million code changes. Clear LED display screen with large keypad buttons.
- Battery level indicator. Operates using 4 numbers of AA sized batteries.
- Equipped both with a user and master control function, making it an ideal investment for a home, small office or retail outlet with casual staff having access to the safe.
